Letter from the Executive Director of Dove, Inc.:

Coordinating Efforts to Address Unmet Needs and Social Injustices.

Christine Gregory, Executive Director

Dear Friends,

We live in an amazing community. Hope for a brighter future, generosity of spirit, faith in God, and a will to make lemonade from lemons is the trademark of our home here in Central Illinois. In the past roller coaster of a month, Dove has continued its mission despite the odds and we have come through it strong.

To say that I am proud of our staff, clients, and this community which supports them, would be an understatement. Thanks to all of you we have reached a point of stability, and are able to plan for a bright future. We are hiring to fill vacancies and planning to continue to provide services for domestic violence victims, homeless individuals, and community needs. We have partnered with volunteers from NWRAPS to become the new host of the annual Heritage & Holly Tour, and worked with our partners in the community to continue our mission to coordinate efforts to meet unmet needs.

Thank you for being ready to share in Dove's work. To explore how you can grow with us towards the future, please reach out to our Volunteer & Community Relations Director, Barb Blakey. Dove, Inc. is only as strong as its member organizations, volunteers, and advocates. Thank you for working to make our home self-sustaining community with hope for anyone who is suffering.

Sincerely,  
Christine Gregory

# NEWS

from the Domestic Violence Program

Teri Ducey  
Domestic Violence Program Director

The program has been through many challenges in the last few months, as a result of being without significant funding because of a lack of a State Budget. But through it all, the Shelter has remained open and staff and volunteers daily worked to meet those challenges.

We were in a position where we did have to cancel one of our weekly domestic violence support groups. Staff have continued to work additional hours in order to comply with our 24-hour Shelter coverage. Since Dove has been in a hiring freeze, we have been without a 2<sup>nd</sup> Shift Shelter Specialist, as well as a full-time Children's Specialist - staff who cover the weeknights and the 8-hour day shift on Saturdays.

But now, I am happy and very thrilled to report that a VOCA (Victims of Crime Act) Grant, that we submitted proposal for in early June, will be awarded! This will allow for us to replace these two staff positions and to begin to fill the positions needed to provide the services our clients need.

Soon we will be hiring a full-time Multi-County Advocate, additional Shelter Specialists, and two contractual Domestic Violence Trainers.

Staff have gone above and beyond during these challenging times – even while we were without air conditioning in the Shelter for a period of 3 weeks! Clients and staff pulled together and literally “weathered” the storm! This occurred during the some of the hottest days of the year!

A big thank you to the Salvation Army who loaned us several cots for our clients to sleep on, as we even had to move our Shelter residents downstairs to our Dean Simcox Conference Room in order to stay cool.

We also are grateful to One Source and Sunbelt Rentals who loaned us the portable air units. These were helpful and much appreciated!

Thankfully, work has been completed and it has cooled off in our Shelter. Times like this sure do make one appreciate things that we so often take for granted and to appreciate the wonderful staff and volunteers we get to work with each day.

***Please check the employment page on the [website](#) to view the current job openings in the Domestic Violence Program and Homeward Bound Program. And keep a watch as updated and new positions are added.***

## VOLUNTEER AND EDUCATION OPPORTUNITIES

The Decatur Macon County Senior Center needs a volunteer or two in their outreach office, someone to help give out farmers' market coupons and fans this summer. We take appointments for the farmers' market coupons, but the fan distribution is first come first served. There is paperwork required for both programs. Volunteers will be checking financial eligibility for the programs and then filling out the paperwork required. Computer experience would be helpful, but not required. There will also be some telephone answering and light filing. We are looking for help between the hours of 9:00 a.m. to Noon and 1:00 to 3:00 p.m., but they are willing to work with someone on hours and days. If you are interested in helping seniors, this is a great opportunity to get started! Call Charlie or Sandy at 217.428.6616.

DeWitt County TRIAD will be sponsoring a Senior Academy in August to focus on financial and personal safety for residents over 50. The free program will include presentations on Senior Safety, Family Love Letters, Alzheimer, and Senior Cell Phone Use, as well as Entertainment. Local authorities will give presentations on each of these topics at the Clinton Library. The academy will meet from 9:00 to 11:30 a.m. on August 8, 15, and 22. Refreshments will be provided by Liberty Village. There will be daily door prizes.

Space is limited and advanced registration is encouraged. To register, please call the DeWitt County Sheriff's Office at 217-935-9507.

DeWitt County TRIAD is a joint initiative between local law enforcement, social services organizations, and senior volunteers dedicated to senior citizen safety. For more information about TRIAD, see the DeWitt County TRIAD's Facebook page or contact the Sheriff's Office at 217-935-9507.
