Letter from the Executive Director of Dove, Inc.:

Coordinating Efforts to Address Unmet Needs and Social Injustices.

Christine Gregory, Executive Director

Greetings Friends,

I write today to express my deep gratitude to you as Dove celebrates its 47th anniversary. From the eight churches which began our mission, to the over 120 supporting and member religious organizations today who see Dove as extension of their mission reach into the world, Dove has become a part of the fabric of the five counties we serve.

None of that is possible without each of you. I thank God for you every day. Your gifts, prayers, donations, service, advocacy, and vision continue to change and save lives. Because of you we have remained flexible to the changing needs of our community and committed to supporting our most vulnerable neighbors. Please know that you are in my prayers, and keep our staff and clients in yours as we continue His work in the years to come.

If you or your organization's members are ready, please reach out to our Volunteer & Community Relations Director, Barb Blakey. Dove, Inc. is only as strong as its member organizations, volunteers, and advocates. It is my sincere hope that you will be a part of making our home a self-sustaining community free of human suffering.

Sincerely,

Christine Gregory

OUR THANKS TO:

On June 30th the last day of our fiscal year, Dove was looking at still no state budget and being owed more than \$400,000 for services provided. Our fundraising and generous donors got us to the end of the month when new challenges sprang up, and they were answered in what we feel was a “God thing.” First, our shelter dryer quit, the motor had burnt out. When we called Phil Flaucher for an estimate to fix it he generously called back and donated a new clothes dryer. Then our air conditioner for our shelter quit. The temperature started to climb in our shelter. Because of security reasons we are restricted on opening up all windows. We knew this was not going to be a cheap or quick fix. More friends of Dove have jumped to our aid. Danny Binkley at One Source, brought us a portable air unit and helped us set it up in our client bedroom hallway. Pastor Vivian Clarrington and Eric from St. Peter’s AME Church hopped into her van brought us the church’s heavy industrial floor fans. And last night Michael Sanders of Sunbelt Rentals donated 2 additional air conditioning units. Brandy Stivers from Blue Bunny is bringing ice cream treats to help clients stay cool. We want to say a special thanks to these special people.

To all who have been so helpful in keeping Dove strong – THANK YOU! You are a blessing.

Christine Gregory
Executive Director

VOLUNTEER OPPORTUNITIES

Are you looking for some fun this summer? We have some of the best places to volunteer. Now is the time to get involved with all the family-focused, outdoor, or kid-friendly opportunities throughout our community.

Love the outdoors? Then the Macon County Conservation District might be right where you belong. Summer/fall opportunities outside include summer camp volunteers, volunteer naturalists (programs/hikes/canoeing/fishing), natural area restoration, trail monitors, and more. Summer/fall opportunities indoors include activities such as nature center greeter (front desk) or library attendant.

Want a few more animal interactions? Scovill Zoo needs drivers for the Z.O. & O. Express or operators to give riders a spin on the Endangered Species Carousel. Scovill Zoo also has opportunities in their Mobile Zoo, Guided Tours, and special events. Background checks required.

Prefer inside on a rainy day? Why not try somewhere drier. The Decatur Public Library's local history room could use more help!

Perhaps you would rather spend some one-on-one time mentoring a child doing something fun. Big Brothers Big Sisters has children waiting for that special Big. Are you him or her?

Love working with your hands? Habitat for Humanity has opportunities with every aspect of building homes or repairing furniture/fixtures for the ReStore.

Do you travel all summer and are looking to help come fall? We have you covered there, too! BABES combines puppets, stories, and discussions designed to help school children develop positive living skills. They are just wrapping up the school year, but will begin taking names for their fall training session.

The Puppets are resting up this summer. Their meaningful lessons will begin in K-3rd grade classrooms in the fall. Watch for training opportunities coming in September!

Thank you to everyone who came out and supported DeWitt County Dove at our Garden Gala and High Tea this past June! It was such a lovely event. A delicious lunch was served with a large dessert bar. The 'Tea Ladies of Bloomington' came and presented on the Beauty of a Victorian Garden. It was not only entertaining, but educational! I feel I can say without fear of contradiction that everyone really enjoyed our High Tea this year.

While I'm on the subject of the High Tea and Garden Gala, I would really like to show my appreciation to my amazing CADV members! They put in so much hard work to make this event run smoothly each year. It would not be the success it is without all of you putting in such an effort. THANK YOU ALL SO MUCH!

NEWS

from the Domestic Violence Program

Teri Ducey
Domestic Violence Program Director

As of 7-6-17, the State of Illinois FINALLY has a budget!! Dove has certainly felt the pressures as we scrambled at tightening our expenses, cutting back in every way possible, and most of all our minds were set to everyday praying that the legislators would someday somehow – soon – reach a compromise. With this new budget, Dove will receive about 87% of its funding for services we have continued to provide through the signed contracts we have had all along with the State. It will certainly take some time for our State to get back on track, but at least there has been a step in the right direction and we will be receiving our funding for FY17.

I want to publicly thank Dove's wonderful RSVP volunteers who stepped up to the plate and provided many delicious meals to our Shelter clients during the month of June! Thanks to Charlie Gillaspie, RSVP Director, for organizing this project and reaching out to her program volunteers. We could not have made it without you all!!! Sending out Huge THANK YOU'S to Janet Gray, Sandy Norris, JoEllen Carter, Joyce Johnson, Diane Swisher and her daughter, Marilyn Smith, Janet Calhoun, Janet Whitehead, Central Christian Church ladies, Linda Riva, Charlotte Aldridge,

Sandy Harmison, Joyce Smittkamp, Terry Holmgren's Bible Study, SueEllen Brauer, and First Presbyterian Church!

I also want to thank Mary Kay Ellis, as well as Sheila Brooks, from Nelson Catering, and Monical's Pizza – South Shores. Your generosity is most appreciated!!!!

I continue to be grateful for the staff of the Domestic Violence Program who have been weathering this storm, as we face the challenges of 2 vacant full-time positions, of which include our 2nd shift and every Saturday. Staff have worked together as a strong team to meet the required Shelter coverage of 24 hours a day/7 days a week. This is a very committed and dedicated group of individuals!!!

As if facing the budget is not enough of a challenge, the compressor in our big air conditioning unit went out and will be a very costly expense in getting repaired. For those wanting to help out in any way with Dove's overall hardships, please go to our website at www.doveinc.org and make a donation. We are so very grateful for your ongoing support!!

Please mark your calendars to sign up and take our Domestic Violence Education

and Volunteer Training!! We need more volunteers – in all counties – Macon, Moultrie, Piatt, Shelby and DeWitt!!!

CHILDREN'S CLOTHING ROOM

OPEN
MONDAY - THURSDAY - 1:00 TO 3:30 P.M.

*located inside of
Prairie Avenue Christian
Church
2201 E. Prairie, Decatur*

*Good, used, free clothing!
Sizes from infants to teenagers.*

For ease of making a donation of children's clothing, a shed is located south of the church in the parking lot.

Dove's Children's Clothing Room

The Children's Clothing Room served 2,795 children for the fiscal year. Children served ranged in age from newborns to 18 years of age. This is an increase of more than 200 children from last fiscal year.

As part of the state of Illinois budget crisis, Dove had to make the difficult decision to stop purchasing new socks and underwear for the children we serve. Although the need in the community has grown, our budget has shrunk and families are still in need. If you or your organization would like to support the Children's Clothing Room, give Sandy Harmison a call at 428.6616 and ask how you can support children in our community.

YOUR GIFT WILL ENSURE THAT SERVICES CAN CONTINUE.

PLEASE GIVE GENEROUSLY.
